

Non-Muslim-Buddy Dashboard Help

Non-Muslim-Buddy and Protégé are used interchangeably in the MyC2i system. The Non-Muslim-Buddy dashboard is the default home page of the Non-Muslim-Buddy. After a successful login, the Non-Muslim-Buddy is taken to the dashboard automatically. The Non-Muslim-Buddy dashboard is logically divided into three sections. The left section, the middle section and the right section.

1. Left section: The left section contains the navigation menu, Viewpoint related sub sections. Each sub section is explained below:

1.1 Top ten viewpoints section: This section contains the top ten viewpoints approved by the administrator of the site. When you submit a viewpoint, it has to be approved by the admin; once the admin confirms the viewpoint, and it is voted upon then it is available on the dashboard if it is among the top ten voted viewpoints or the most voted (winning) viewpoint.

1.2 Winning viewpoint section: Every week there is a viewpoint competition, submitted by the protégé/Non-Muslim-Buddy. The most voted viewpoint is selected and displayed in this section.

1.3 Browse more viewpoints (Viewpoint Voting):
